Term 4

Week 10

9th December 2016

Wow what an end of the year we've had – such an impressive awards night and social for our Year 6 students, the Christmas Concert for our P-2 students and just an overall fantastic last week. This has been a massive year of personal and collective achievements. Every child should be very proud of their individual achievements and we hope these were celebrated in their Semester Two report cards. Please accept our 2017 calendar as a small gift of appreciation and we hope that it helps with communication and planning for 2017.

Staffing News

Principal position: Interviews were held yesterday, and unfortunately the process won't be finalised and confirmed until next week. An email via the school newsletter address and a Facebook message will be posted and utilised to communicate the successful applicant as soon as we know.

Deputy Principal: Congratulations to Mr Matthew Henry who was the successful applicant for this position for 2017.

Master Teacher: Congratulations to Mrs Tania Schmidt who has been successful in winning the HOC position at Harristown State School for 2017. Tania has been instrumental in driving and supporting the writing agenda at Rangeville. Her leadership, collegiality, support and community engagement with parents, the music department and sport will be greatly missed. This position will be advertised early in 2017.

HOSES: Mrs Julie Franklin was the successful applicant. Julie has been a special education teacher in Primary and Secondary mainstream and Special Education Units for the last 12 years. She has been acting HOSES at Oakey State High for the last 18 months where one of her greatest achievement has been rebuilding the culture, perception and reputation of Special Education throughout the school.

Music: Mrs Andrea Bridge will continue as music teacher next year as she replaces Mr Henry for 2017. Year 4: Ms Chloe Geiger will now be taking Mrs Bridge's place as the Year 4 teacher.

Year 1: Ms Monique Brooks has been appointed to this year level as a class teacher. Monique has graduated recently and she is excited to be coming to Rangeville in 2017. She had been working in Early Childhood before completing her Education studies.

Special Education Staff:

Mrs Noosha Hodgson will join us as 1 FTE from Mitchell SS.

Mrs Cathy Ollason returns as 1 FTE.

Mrs Lizzy Schmiddy joins us as 0.6 FTE as an experienced Special Education Teacher. Her latest role has been Special Education at Harristown State School.

Mr David Richards will return for the first 3 weeks next term to help support a successful transition for our SEU.

Thank you to Mr Jeff Bean for his leadership, calmness and efforts this Semester as HOSES.

Thank you to Mrs Gail Maddsen and Mrs Stephanie Rhodes for their efforts this year. Their commitment to the students, families and staff at Rangeville has been amazing.

Health and Physical Education: Mrs Jasmine Naumann will be joining the Toowoomba East staff in 2017 to take up a Master Teacher position. This position is a temporary position for 2017 and we wish her all the best in taking on this exciting leadership role and thank her for all the extraordinary normal and additional hours and work she does for this wonderful school. Mr Brendan Cobb will be replacing Mrs Naumann.

Grounds Team: Today, Mr Matthew Engler has been offered and accepted a permanent position at Concordia College. This is a fabulous recognition of Matt's work ethic and abilities and he will be sorely missed by all at Rangeville. Matt has continually gone above and beyond to ensure the learning and school environment is of exemplary standards. There is never anything that is too much for Matt to do and his creative and skilled abilities have produced many a solution that has enhanced every aspect of our school. Matt is also an awesome bloke! Congrats Matt!

Congratulations and all the best to Mr Jo Guiso who joins Pittsworth State School as a permanent classroom teacher with the department. This is a well-deserved achievement and the start of a wonderful new chapter. We wish you all the best at your new school and know that the Pittsworth community will value the skills that you bring and your ability to foster relationships.
