Term 1

Week 2

3rd February 2017

Wow, despite the current heat wave ensuring we have to sweat and bear it, the students and staff have had another wonderful week. It is beautiful to see our Preps seeing themselves as enthusiastic learners and absolutely hanging onto each and every word of their teachers and our Year 6 students leading our school with pride and enthusiasm.

School Enrolments

This year we will have 731 students attending our wonderful school. This is an increase in enrolments of 30 students from Day 8 2016. Next week we will be reviewing our class structures and communicating with families if there are required changes to student's classes and class teachers. All decisions will be made in the best interest of each and every child and ensuring state-wide class size

targets are being met.

Student Leaders Induction

Next Friday 10th of February we will hold our annual Student Leader induction. This ceremony will begin at 9 am in our hall and all families are invited to join us for the ceremony and a celebratory morning tea will follow.

As this is a formal celebration for our school our students are encouraged to wear their formal uniform.

Heat Wave Conditions

Thank you to all of our families for ensuring all children have adequate fluids to cope with these current heat wave conditions. Our staff are supporting the children in ensuring they all drink water, keeping outside activities to a minimum and trying to keep the children cool after play times. Please keep sending your child with lots of water and their wide brimmed hat each day.

Change of Details

Have you changed your name, address or phone numbers? Please help us keep your child safe by updating your details at the office. Just call 4617 7333 and the ladies will help you.

Parking

We all understand that parking around Rangeville State School is at a minimum. Thank you to all of parents who are supporting us and our neighbours by following the road rules and also not parking on our neighbours footpaths. Within the first nine days of school we have been approached numerous times by members of our school community and wider community asking for help. Please respect our neighbours and our wider community.

BRING HOME A BIG BROTHER OR SISTER AND BRING FRENCH CULTURE TO LIFE !

Why not volunteer to host an international student from France mid year? We have a small group of delightful French students coming to Australia for 10 weeks to immerse in local Australian culture, experience our High schools, sports, environment and lifestyle. Arriving in June, all the French students are around 15 years old, speak excellent English, have their own spending money, cover all school expenses, and we arrange all aspects of their program. They are looking forward to joining an Australian family for a short term. It's fun and interesting to help these young people achieve their Australian dream. If you'd like know more, please email your interest to Rob at Inter Cultural Management on rob.lindsay@icm-education.com.au or call 0438 689828.
