</table>

Thank you to Councillor Geoff McDonald, past Principal Mike Ludwig, Deputy Principal of Centenary State High School Ms Tracy Soward-Amalfi and our newly inducted Adopt-A-Cop Constable Darren Goodwin and our families for also being in attendance as invited guests to celebrate this great occasion for all.

Class and Staff News
As previously discussed we have been working with our current class structure as a result of the Day 8 total of 731 students. We currently have over allocated classes in our Year Five cohort (classes of 30 and 29 students) and the Year Four M class was under allocated (16 students). As a result the Year Four M class will become a composite class of Year Four and Five students from Monday the 13th of February 2017. Thank you to our families for considering and supporting this small change.

In other class news, we are still working with Education Queensland to source a suitable replacement for our Year 2/3F class. Thank you to Mrs Julie Atkinson who is able to continue as the students’ teacher until a replacement is found.

School Parking: What’s that – I’m sounding like a broken record!!!!
It was wonderful to see the Toowoomba Regional Council parking inspectors visit our school this week. This is in response to the numerous complaints that have been recently received at a school and council level. Please take care when parking around our school. We only want each and every member of our school community to be safe. They will continue to support our requests in the near future so please obey the street and parking signs – it’s your kids we are trying to keep safe.

Stay safe and cool this weekend everyone!
Thanks Ben

“Learning Achieving and Growing Every Day.”

Harmony Day Celebrations 2017
On Friday 17 March 2016, we will be celebrating Harmony Day in Rangeville State School. As orange is the colour to represent Harmony Day, students are encouraged to wear something orange to school that day. There will be a special parade in the morning and students will be engaging in different cultural activities throughout the day.
For Grades 3 – 6 students, the school has made arrangements with professional cultural performers to present various cultural activities including traditional dances and musical performances. This is an excellent opportunity for your child to engage in and be part of this vibrant and colourful celebration.
Cost per student : $6.50  Permission letters will be sent out in the coming weeks.
If you or your child would like to perform a cultural item at the special parade on that day, please contact Mrs San H. Tay at 46177333 or email stay4@eq.edu.au.

Library News
On Wednesday the 22nd of February we are having our 2017 Author Visit. This year Aleesah Darlison is our visiting author and she has written over 20 books suitable for young children through to teenagers. She is an engaging speaker and will run 3 large group presentations for students as well as a writing workshop in the afternoon for students in years 4 - 6. The cost is $5 per child. Children who wish to participate in the writing workshop will need to sign up at the library. Numbers are limited to 30 and there is no extra cost. We are looking forward to it and some of her books are in the library for everyone to read. To celebrate this event next week we will be making unicorn hats to wear during the talks as one of Aleesah’s series is called the Unicorn Riders.

Digital Technologies
Superhero Daughter Day – 11 March
The Tech Girls Movement, along with Diverse City Careers and Technology One, invite you to join in the fun on Superhero Daughter Day 2017!
Celebrating the upcoming International Women’s Day, this event helps to promote technology as a career path for young females.
Year 1 to 7 girls along with their parents or carers are invited to have fun with their peers, meet some cool female role models in IT, learn about STEM entrepreneurship and how to build an app!
The event is being held in Brisbane on Saturday 11 March 2017, from 1PM – 3:00PM; register here.

RSS Chess Club
Term 1 chess lessons with Mr Les Lord will be held Wednesday 1st break and will commence week 3. These lessons cater for all levels from beginner to advanced.

“Learning Achieving and Growing Every Day.”
The annual Toowoomba District Primary School Individual Chess Championship will be held on Tuesday 7th March during school time at Christian Outreach College. Entries close 24/2/16. Students are welcome to turn up to the library at first break to play chess and practise their skills. Please see Mrs Cunningham in the library for forms and more information.

Christian Religious Instruction
C.R.I. begins on Monday 13 February with each year level having their lesson on a different day of the school week.
Those children whose parents wish them to participate, do C.R.I. in their classroom, while those children whose parents do not wish them to participate are moved and supervised away from the lesson.
Any questions about C.R.I. at Rangeville State School can be directed to me by contacting the school office and I will endeavour to return your call as soon as I can.

Rachel Butttsworth class room teacher and coordinator of C.R.I. for Rangeville State School

Students in Years 1-6 at our School are invited to participate in the Christian Religious Instruction Program

CRI is usually a weekly lesson for students from year one up. The program reinforces Qld education core values of responsibility, understanding, respect, tolerance, inclusion, integrity, freedom, compassion and caring. Trained instructors are drawn from a variety of Christian Churches. Each instructor holds a blue card, is accredited by their church and is approved by the school principal. Queensland Government Legislation has approved the teaching of Religious Instruction in State Schools since 1910. The curriculum encourages story telling, drama, interactive discussions, music, games and craft.
Your child will:
- Explore Bible stories and the history, geography and culture of the times.
- Talk about Christian beliefs which have helped to shape our nation.
- Discover what the Bible says about God and the life and teachings of Jesus.
- Learn to value and respect their own and other’s beliefs.
- Be encouraged to develop positive values and choices eg. thankfulness, forgiveness and hope.

COMMUNITY NOTICES
Please note that although the following notices may be included in the school’s Newsletter, they are published in good faith and do not necessarily have the school’s endorsement

Oakey State High School has a vacancy for a temporary full- time (38 hours per week) Agricultural Assistant commencing 06.03.17, concluding 01.03.2019.
