Term 4

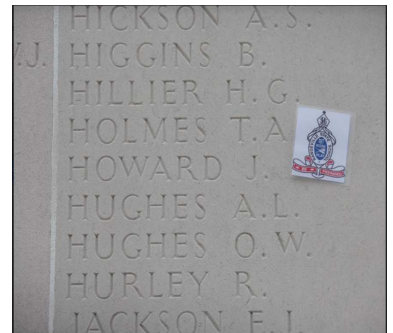

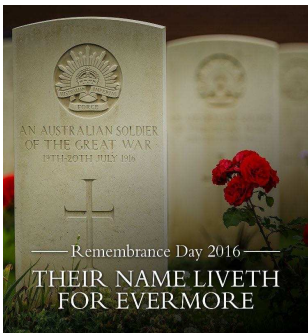

Week 6

11<sup>th</sup> November 2016

### Remembrance Day 2016

Our students and staff continue to always achieve above and beyond the expectations. Today's Remembrance Day Service was a special occasion to remember those who gave the ultimate sacrifice for each and every one of us.

Congratulations to our Student Council and Mrs Burton whose commitment to find out and recognise our past student Private Thomas Alexander Holmes' achievements and final moments was extremely special. With extensive knowledge of the wartime history of Australia and the people of Villers-Bretonneux, our Student Council with the help of Genevieve Perret from Bonjour, corresponded with the Victoria School of Villers-Bretonneux informing them of Private Holmes and requested that a member from their school place our school emblem against his name on the memorial at Villers-Bretonneux. Guillaume Fournet a Year 5 teacher at Victoria School of Villers-Bretonneux responded in moving memory of Private Holmes, happily met our students request and found Private Holmes name on the memorial and sent the following images in memory of Private Holmes:

Congratulations all involved in today's service.

### Operation Shopping Trolley

Congratulations to our student leaders and our entire school community. Collectively we were able to present the Basement Soup Kitchen with **683 cans of soup** to support the homeless of Toowoomba. What an achievement, Rangeville you ROCK!

### Summer is starting to Sizzle

Don't forget to bring your water bottles to school and apply sunscreen before coming to school as our weather is finally starting to heat up.

## **P&C Meeting – the final meeting for 2016**

You are cordially invited to attend our final Parents & Citizens Meeting for 2016. It commences at 7.00pm on Tuesday 15<sup>th</sup> November in H Block (Resource Centre) and will conclude by 8.30pm. Even if you haven't had an opportunity to join in this year, please feel free to come along and meet with the other great P&C members who contribute so much to our school.

## **Not coming back to Rangeville State School in 2017?**

May I request, that with the exception of Year 6 students who are exiting Rangeville and transitioning into Junior Secondary, any parent of a child not returning next year to contact the office as soon as possible to officially advise us please. Having your early advice will better enable us to form classes for 2017. Please contact the school on 4617 733 or email [admin@rangevilless.eq.edu.au](mailto:admin@rangevilless.eq.edu.au) at your earliest convenience.

### **Final Call for parent input into class allocations for 2017**

If your child has special considerations (medical conditions, disabilities, family custodial circumstances) that we may need to factor in to 2017 class lists could you please put the information into a letter or an email [admin@rangevilless.eq.edu.au](mailto:admin@rangevilless.eq.edu.au) and we will give it every consideration.

I take this opportunity to remind parents that no guarantees can be provided in relation to friendship groupings. I would also hasten to point out that demands for having or not having a particular teacher for your child cannot be considered since I have every confidence in the entire teaching team at this great school.

## **Attention Year 6 Students and Parents – Centenary Heights SHS Enrolments Due Now**
