Term 2

Week 6

20th May 2016

Congratulations to all of our amazingly talented students in the Concert and Stage Bands and the String Ensemble who participated in this week's Fan Fare. Our students achieved FANTASTIC and well deserved results.

Congratulations to our dedicated students and staff: Mr and Mrs Redfern, Mr Stockwell and Mr Henry and also to our wonderful parents. Your dedication and support to our instrumental program is extremely impressive and something that our whole school is extremely proud of.

Happy Chappie Week:

This week we have been celebrating our wonderful school chaplain - Chappie Brooke and our Chaplaincy Committee. Chappie Brooke is an integral part of our school community. She can be found supporting our students, staff and school community on a Tuesday and Friday providing emotional support to all. Brooke is in the **prevention and support business**: always helping students find a better way to deal with a range of issues in a supportive, kind and fun way. Brooke provides a **listening ear and a caring presence for all kids** and especially for our kids those who just need a friend. Thanks Chappie Brooke – we love having you a part of our great school community and thanks to the dedicated Rangeville Chaplaincy Committee for all of your hard work to provide such a wonderful service for our school community.

Car Parks

Thank you to our families and friends who continue to ensure all students are safe by utilising the provided street parking around the school. Unfortunately in recent times, a number of near misses have occurred when students have been dropped off in the staff car parks. On a number of occasions our children have been left to walk to school unattended through the staff car parks causing near misses as the students and staff have not been aware of the potential dangers. Please refrain from parking in the dedicated staff car parks and please refrain from verbally abusing staff who are trying to maintain the safety of our students.

Painting is about to begin

Next week, the next part of the school refurbishments will occur. The external painting of M Block and the 'Green' hall will begin. Limited disruptions will occur to learning for all students. Once these blocks have been completed, painting will occur on the tuckshop walkways and G Block.

Office Hours only open until 3:15 pm on Tuesday 24th May

Next Tuesday the 24th of May, we will be employing Dr Peter Stebbins to begin a 3 part series of professional development focused on work life balance, resilience and team work. This will see the office close at 3:15 pm. Please understand that this is a one off this term and an important staff development opportunity for all of our wonderful staff.

Welcome to Mrs Brenda Lindsey-Holley who was the successful applicant for the recently advertised Administration Secretary. Brenda comes to us with many years of experience in customer service in schools and private business and will be an asset to our school community. Brenda has been employed to be the main contact for school community relations and support. Please make her welcome when she begins on Monday.
