Term 2

Week 7

7th June 2019

What a massive week we have all had at Rangeville. From our athletes doing a magnificent job at the Range Zone Athletics on Monday to dealing with our coldest day of the year on Tuesday and then the wonderful celebrations and achievements of String Out on Wednesday by our 47 exceptional String players. While all of these wonderful things have been occurring our students and teachers have been busily achieving their best at their individual assessment.

I am always extremely impressed by our student's dedication and commitment to their individual studies and their extra curricula activities. Thank you also to our families for their support and encouragement – we all know and appreciate the pressures that general life provides every family but having children following their talents and skills the additional lessons, performances add another dimension to family life.

CONGRATULATIONS

String Out Students

Extremely talented

Best behaved school

A credit to their families & the school

Amazing audience members

String Out

Congratulations to our beginning, intermediate and advanced string players and Mrs Johansen and Mr Henry for their efforts and commitment at this week's String Out Day. Over 300 students from across Toowoomba workshopped various performance pieces throughout the day and performed a magnificent concert on Wednesday night at the Empire Theatre. We have received numerous phone calls and emails congratulating our students for their behaviour, talents and

dedication. Well done to Ebbeny, Hannah, Kira, and Leora, who were privileged with solo performances during the finale.

2019 Semester Report Cards

As per last year, our Semester One Report Cards will be emailed to families on the 26th June 2019. If you have changed your email address recently, please ensure the office is aware of this change.

Facilities News: J Block Air-conditioning

It is with great celebration that we can inform our school community that our Year One J Block will be air conditioned by the end of this school term. Due to the tight timelines there will be some minor interruptions and disruptions to the Year One learning spaces and individual classes will be relocated to other learning spaces within the school. When we have further notice of exact timelines we will communicate this to the effected classes. Thank you to our Darling Downs Regional Office Facilities Team and our very supportive P&C who have enabled this wonderful facilities upgrade to occur.

"Learning Achieving and Growing Every Day."

Year Five and Six loving learning through STEM All this term our Year Five and Year Six teams with the support and leadership of Mrs Stone have been problem solving through collaboration and team work while exploring and investigating the technology curriculum. It is an absolute pleasure to see our staff and students engaging and having such great fun taking risks and challenging themselves and their team mates to achieve their bests. The joy, laughter and connection that is occurring each and every Friday afternoon is what learning at Rangeville is all about. Well done everyone!

Middle School State Honours Ensemble Program Individual Recognition

Congratulations to Kira, Leora, Ebbeny and Micah, who recently participated in the Middle School State Honours Ensemble Program run by The Queensland Conservatorium of Music, Griffith University. They were selected from over 1900 applicants from over 100 schools throughout South East Queensland. This outstanding achievement is a great recognition of their abilities and dedication, their family's support and the support of our Instrumental Music program.

All the best to our Fan Fare Regional Finalists who compete this coming Wednesday morning and to our athletes who compete at various DD AFL and Soccer sporting events this weekend.

WHAT IS THE P AND C?

The P and C committee is the voice of the parents. It's at these meetings that decisions affecting your child at school are made.

- get the inside story on what's really happening in the school (not the gossip). Mr Kidd usually is available to answer questions and teachers sometimes attend too.
- influence school policy (want to get a shade cloth over the swimming pool) this is where you can come and have your say.
- have a say in the development of school activities such as excursions and camps and curriculum.
- guide school management in its financial planning by helping prioritise the resource wish-list.
- contribute to the school's resources through various fundraising projects.
- meet other parents.

So, what happens if you come to a P and C meeting will we give you a job for life. The answer is no. Coming to a P and C meeting doesn't lock you into anything. All you need to do is sit and listen you don't have to say a word if you don't want to. If you enjoy the meeting and think that was fun I want to come again or I want to know what happens at each meeting then you can fill out our application form and you will officially become a member of our amazing team of parents. This does not mean you have to come to every meeting or volunteer, all this does is put you on our email list so that before each meeting you will get the agenda and the minutes from the previous meeting. It also gives you the ability to vote on proposals at the meetings. The P and C runs the Tuckshop, Uniform shop and Outside of School Hours Care(OSHC) so you also get a say in how these businesses are run.

"Learning Achieving and Growing Every Day."

Not only that but you will meet a great group of parents who are all there to make our school a great school for every child. Everybody has a role to play and your ideas will be heard. The more people involved in our P&C the more exciting and successful it will be. Your involvement and support are welcomed.

We look forward to seeing you at our next meeting on 18th June at 6.30pm in Miss Ross's room. If you do have any questions before feel free to email rssparentlink@gmail.com or ask on our facebook page Rangeville state school P&C.

FROM THE SPORTS DESK

Prep-2 Athletics Carnival Friday 21st June

9am-10:50am is the ball games

11:40am-1pm is the sprint races

Programs available for purchase \$1.00 on Monday 10th June

RANGE ZONE ATHLETICS

At the Range Zone Athletics Carnival on Monday 3rd June 2019, 47 children followed the school expectations to an exceptional standard. The boys and girls who attended demonstrated fantastic sportsmanship towards other competitors along with encouraging all their fellow peers during their events.

From this Carnival, I'd like to acknowledge the children who have been selected to attend the Darling Downs Athletics Carnival on the 18th June 2019 at Harristown State High School. These students had some outstanding results which has enabled them to be selected in the Range Zone Athletics Team.

Kelly - 100m came 2nd at the Range Zone Carnival

Eoin - Shot Put and Discus won both of these events

Ellena - 100m and 200m came 2nd in both of these events

Rylee - High Jump, Long Jump and the 800m winning all these events at the Range Zone Carnival.

Tahlia selected for High Jump

Alex selected for 100m and 200m

Tayla selected for the 100m

I wish these students the best of luck at the Darling Downs Carnival on the 18th June 2019, I'm confident they will achieve great results at the next carnival.

COMMUNITY NOTICES

Please note that although the following notices may be included in the school's Newsletter, they are published in good faith and do not necessarily have the school's endorsement .

Great New Competition for School Students - With Great Prizes

All you need to do is feature at least one camellia in a re-purposed, recycled or reused item from around your home to create a decorative floral display that can be placed on a table.

You can add any form of foliage (green or dried) along with anything else to enhance the appearance of your creative work.

Let's see what you can do!

The competition is open to school students up to, and including 16 years of age and will be judged in two categories:

- 1 - Primary school students
- 2 - Secondary school students

Prizes will be awarded for 1st, 2nd and 3rd place in each category

Entry to the competition is free.

Bring your creation to the Joan Falvey Camellia Hall, at the Camellia Show, on Saturday 20th July, ready for judging at 10am.

All entries are to be collected at 3pm on Sunday 21st July from the Camellia Hall.

For more details go to the Camellia Show website
