Term 4

Week 8

30th November 2018

What an honour and a privilege it has been to listen to our 2019 student leadership speeches. I have been fascinated to hear their ideas on leadership, goals for improvement and commitment to continuing the traditions of Rangeville. Congratulations to our families and staff who have supported these outstanding young people through this process. Most importantly congratulations to our future student leaders. Your confidence, ideas and willingness to challenge yourselves to ensure Rangeville continues to strive for greatness will make 2019 another wonderful year for our school. Best of luck to all nominees and we look forward to announcing the successful applicants on Monday 10th of December.

Congratulations to our eight students who participated in last weekend's inaugural State Honours Ensemble Program (SHEP) Primary, concluding with four Grand Finale Concerts on Sunday 25 November in the Conservatorium Theatre, Queensland Conservatorium Griffith University at South Bank in Brisbane. From all of the reports, the students were challenged and supported to learn new and exciting pieces of music while expanding their friendship groups with other outstanding musicians from across South East Queensland. Congratulations everybody for taking full advantage of this amazing opportunity.

Booklists

Students will begin to bring home any spare equipment next week, which should help families in preparing their booklist purchases for 2019. I have received some feedback about the expense of our booklists this year. One of our expectations when creating the booklists was to try and only place items that are necessary to the students learning and to try and keep costs to a minimum. Most of the large expensive purchase items, especially in the upper years, are items that our students can use from year to year. Browns Office Choice is our recommended booklist supplier, however, families are always able to shop around to ensure effective savings are made.

Booklist Error: Year Four- 5 boxes of pencils has been advertised for 2019. This should have read 3 boxes of pencils.

2019 Classes

An enormous amount of work has gone into establishing effective class lists to maximise learning for 2019. These class lists have taken into account parental and student feedback. Most of the received requests have had at least one of the requests met. Student class information for 2019 will be sent to parents with the Semester Two Report Cards. There will be no further changes to these lists unless student numbers change between now and Day Eight 2019.

Semester Two Report Cards

The students and staff are currently finalising assessment and the writing of the Semester Two Report Cards. These will be provided to families on Wednesday 12th of December.

"Learning Achieving and Growing Every Day."

2019 Enrolments

Our enrolments for 2019 are filling fast. Please come and see the office if you have a child eligible for Prep next year. To also help with planning classes for next year, if you are aware that you may be moving or your child won't be returning to Rangeville next year, please let the office know before the end of this week..

2019 School Calendar: Again the school will be publishing a school calendar with all of the dates and events outlined for the 2019 year. This wonderful calendar will be given out to this year's students during the last week of school. (one calendar per family)

Student Illness

As parents ourselves we understand the difficulties in judging if students are tired at this time of year or are actually ill while also juggling work commitments. If possible, please do not send your child to school if they are sick.

All the best to our Year 6 students and staff who are about to embark on their week long camp to Tallebudgera next week. We know that this week experience will be challenging but rewarding for you all. Have a great time everyone!

“Learning Achieving and Growing Every Day.”

AWD SWIMMING CARNIVAL

On Thursday November 15 we had 2 students, Colenso & Bianca compete at the AWD Swimming Carnival. Both students did a fantastic job representing Rangeville.

RAW REWARDS

With her Raw rewards Emma chose to select the Principals tie for the day. What a great choice Emma

"Learning Achieving and Growing Every Day."

COMMUNITY NOTICES

Please note that although the following notices may be included in the school's Newsletter, they are published in good faith and do not necessarily have the school's endorsement .

Are You A Parent of a Child Aged 2 to 12?

The Parenting and Family Support Centre at the University of Queensland is conducting research into parents' opinions about parenting and parenting programs. If you have a child between 2 and 12 years, we would love to hear your views on parenting and the services that are available to you as a parent. You will need to complete a short survey. To find out more or to participate please visit <https://exp.psy.uq.edu.au/parenting>.
