Dear Principal.

We are writing to you to advise that the Transport Workers Union (TWU) is planning to undertake Industrial Action on Tuesday 14, February 2017, between 4am and 10am. This means that there may be some interruption to bus services operated by Toowoomba Transit during this period.

I want to assure you that we are doing everything we can to minimise the impact on our customers, however, until the day of the action we are unable to confirm how many drivers will participate. We apologise if you're affected by this industrial action. Our priority is to run all dedicated school services on that day to ensure that children are carried safely to school. Students who utilise general public urban services may face some delay in the morning peak. You might like to consider alternative travel arrangements where possible.

We will update schools on Tuesday of any delays as a result of this union activity. Again, we apologise for any inconvenience that this may cause.

If you would like further information or have any concerns, please don't hesitate to visit the TMR website and search QConnect.
