Alphabet

Put the alphabet letter cards in order from a-z. sing the alphabet song pointing to each letter as you say its name. Tell someone the sounds the letters make.

Maths

Do a page in your 0-10 number book.
Practise writing the numerals from 0-10.

Sight words

Write the sight words in a hopscotch grid and practise saying the words as you jump.

Reading

Read your home reader to someone today.
Read a book you have in your bookshelf.

Physical Activity

Ask the children to stand in a line in the garden facing the direction they will be running in. Draw a line at some distance – it will be the finish line. The kids will need to go to the finish line the same way a particular animal would. If you call out “Penguin!” then they will have to race by walking like penguins to the finish line. This makes for fun physical activity for 4-year-olds.
